

Sported Evaluation and Impact

Light Touch (Voluntary Role)

Who is Sported?

Sported is a leading Sport for Development charity, helping to transform the lives of disadvantaged young people across the UK. We're a membership organisation, working with 3000 amazing community groups and organisations that are using the power of sport to tackle the root causes of some of society's biggest problems, and giving disadvantaged young people the opportunities to succeed in life. Most of our members are, themselves, led by volunteers. While they're knowledgeable and passionate about their sport, and know how to work effectively with young people, they often lack the skills, the time and the networks they need to make their clubs sustainable and effective. That's where Sported comes in!

We ask our volunteers to commit to at least six months of volunteering with us but every light touch support requires a different level of involvement from answering a one off question or having a conversation to a couple of face-to-face meetings.
