# From our CEO

Thank you for expressing an interest in this important and exciting role.

It has never been a harder time to be a young person growing up in the UK. One in four children live in poverty; recorded knife crime has more than doubled in the past 5 years, 80% of young people note their mental health has worsened in recent months and youth unemployment is at an all-time high. With youth provision reduced by over 40% since 2015, an already-challenging future has been exacerbated by Covid-19 and cost of living pressures which disproportionately affect the most disadvantaged and widen inequalities.

Amidst the gloom, thousands of community sports groups operate, not to create the next sporting superstar but to remove barriers from young people's lives to allow them to thrive against the odds. Sported has created the UK's largest network of grassroots organisations delivering sport and physical activity. As a charity, we exist to provide our groups with vital resources and support so they can become sustainable and deliver their services to those most in need.

If successful, you'll be joining a remarkable Sported team of almost 50 people with backgrounds and specialisms ranging from social/youth work and business development to sport development and econometrics. Staff in our regional and national delivery teams, right across the UK, are local to their members. We also have a central office in Borough, London.

Even more capacity is provided by over 300 skilled, knowledgeable and passionate volunteers. They work directly with the leaders of our member groups – most of them also volunteers – to build the effectiveness and sustainability of those organisations, so that they can do what they do best: positively influence and change the lives of young people.

For more information about Sported, our services, and our impact, please see [www.sported.org.uk](http://www.sported.org.uk)

Whether or not you apply for this role, and whether you are successful or not, I'm grateful to you for considering bringing your skills and energy to Sported and our wonderful members.

Yours faithfully,

**Sarah Kaye**  
Sported CEO
